

BOX JOINT AND GROOVE JOINT PLIERS

EGA Master manufactures a wide range of groove joint and box joint pliers, among which the most remarkable are **AUTO GRIP** pliers. They are extensible multi-position pliers with a fast adjusting system, designed for most demanding professionals.

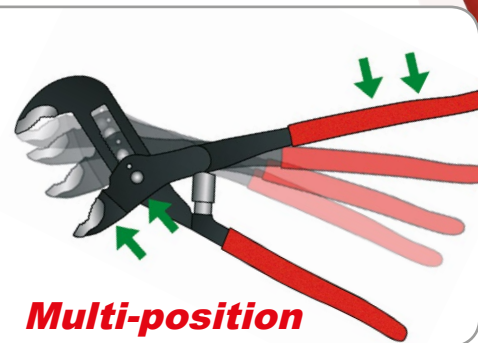

1. Includes a **self-adjustment gripping system** for easy, safe and quick adjustment to pipe size.

2. The teeth, heat treated, provide **adequate wear resistance and a firm grip** on all surfaces.

3. **Non-slip** plastic handles ensure a good grip and prevent unwanted slipping.

4. Fast opening **up to 1.1/2"** in box joint pliers.
